**\$500 REWARD**  
is offered by the manufacturers  
of Dr. Sage's Catarach  
Remedy, for a case of Catarach  
in the Head which  
they cannot cure.

**SYMPOMS OF CATARACH**—Dull, heavy  
headache, obstruction of the nasal passages,  
discharge falling from the head into the throat,  
sometimes profuse, watery, an acrid, & others  
thick, tenacious, mucous purulent, in body and  
extremities, the nose is obstructed, the head is  
ringing, in the ears, deafness, hacking or  
congestion to clear the throat, expectoration of  
offensive matter, together with swollen sinuses;  
the voice is hoarse and lost its natural  
sound, the breath is offensive, smell and  
taste are impaired, there is a sensation of dizziness,  
with mental depression, a hacking cough  
and general debility. Only a few of these  
symptoms are enough to be present in  
one case. Thousands of cases annually,  
without including half of the above symptoms,  
result in consumption and end in the  
grave. This disease is a common, more de-  
structive and dangerous, or less understood by phys-  
icians.

By its mild, soothing and healing properties,  
Dr. Sage's Catarach Remedy cures the worst  
cases of Catarach, "Cold in the Head,"  
Coryza, and Neuralgic Headache.

Sold in druggists every where, 25 cents.

"Told Agony from Catarach."

Prof. W. H. Sawyer, the famous merman, of Ilaca, N.Y., writes: "Some ten years ago I suffered untold agony from chronic catarach. My family physician gave up on me entirely, and said nothing could be done for me, and had given up all hope. Every day, however, my voice would become so hoarse, I could hardly speak above a whisper. In the morning, coughing and clearing of the throat would almost suffocate me. On one of these days I called Dr. Sage's Catarach Remedy, and I am now a well man. I believe it to be the only sure remedy for catarach now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarach, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, postpaid to any address, on receipt of a two-cent postage stamp.
